Dear Families

## Parent information on COVID prevention

### - what to do if you or your child develops symptoms over the holiday

Schools have been asked to assist with track and trace after the last day of term. If your child develops Covid symptoms (new cough, temperature or loss of taste or smell) or has a test in the two days after the end of term (Saturday and Sunday) or in the two days after they were last in school, please inform the school using the link below as soon as possible.

<https://forms.office.com/Pages/ResponsePage.aspx?id=WzppJkF-TE-jrkhdQbyVf4hAvUTaGtNvAolvCRWRqFUQ1RJNENPMDNSTjJaVkZLRExaNIEwM1RJTy4u>

To keep your child and other children safe it is important that children do not come to school at the beginning of term if they:

- Have any symptoms of COVID – new cough, temperature or loss of taste or smell (until 10 days after symptoms have started)
- Live with someone who has COVID symptoms (until 10 days self-isolation has been completed)
- Have been told to self- isolate by National Test and Trace ( until the date they say self-isolation ends and they can return)

Your help is very much appreciated.

Kind Regards

Sian Randall
