

A SOCIAL STORY

GOING BACK TO SCHOOL

Some children have carried on going into school because their families have been keeping other people safe.

Some children have not carried on
going into school because their families
have been looking after them at home.

It is a **LONG TIME** since all the
teachers and children were together at

This might make you feel sad... 

I am bored
at home.

I am missing all the
people I see at school.

I feel safe
at school.

I want to carry on
learning.

I want to have a
routine again.

Whatever you are feeling is OKAY.

You might have lots of thoughts or
worries too...

Whatever you are thinking is [👉]OKAY.

There is no right or wrong way
to think or feel.

It is GOOD to talk to someone about
how you are feeling and what you are
thinking.

It is NOT a good feeling when you
don't know what is happening.

It can make your head, heart
and tummy feel a bit strange.

People are making plans for you to go back to school.

At first you might feel worried, excited or a bit of both!

Everyone will be SMILING and HAPPY to see you though!

Your school family will do

EVERYTHING THEY CAN

to make sure you feel happy and

safe at school.

Watch this video link to remind you about what time you need to arrive at school, which entrance to use and moving around school.

So what is the same and what is different from the last time you were in school?

The same:

Your classroom

Mr Kelly & Mrs Roberts

The other staff in school

The building

The School expectations

Start time

Break and lunchtime

Finish time

PE days

Different:

Where you might be sitting in class

The new part of the trim trail

No Sam

Before you could go on the new part of the Trim Trail it had to be tested thoroughly.

This link will show you the testing process.
