Children are expected to read at least 3 times a week, as well as practise their spellings. Spellings will be emailed out, put on the class webpage and a copy will also be put into children's book bags. Children will have a spelling test every Thursday afternoon..

Welcome to Year !!

We hope that you have had a restful and en joyable break! We have lots of exciting things planned to support the children with transitioning into Year I. This newsletter details all of the learning that we will be exploring during Term 1. We will also be discussing more specific information at our 'Meet the teacher' meeting on Wednesday 6th September at 3:15pm. We hope to see as many of you there are possible.

As Athletes, we will have PE every Monday afternoon and Friday morning so please remember your kits! On Friday afternoons we will also en joy some forest school/outdoor learning, so please ensure appropriate footwear (possibly wellies) and coats are in school on this day.

As Mathematicians, we will be focusing on place value within 10. We will begin by practicing counting, sorting and representing objects. We will then extend our learning onto I more, I less, writing number sentences and exploring fact families.

As Authors, we will be using the story Beegu by Alexis Deacon as a stimulus for our skills. We will be discussing events and answering questions to show our understanding. We will also be practicing to use our sounds to write words, captions and sentences for different

parts of the story..

Enquiry—

What do Artists do?

We will become Artists and use the book "Dot" as our inspiration. As Artists we will explore our own creativity and expressing ourselves in such a way. We will explore mixing of colours and use this knowledge to create our own dot inspired art work.

How does Sea Mills change?

We will continue to be artist and further improve our skills from our What do Artist do enquiry. We will focus on seasons and colours we may notice and use this to create our own summer to Autumn artwork.
