At nursery, we are continuing to support the children's interests as well as provide plenty of opportunities to learn the routines & expectations of nursery along with discovering lots of new learning experiences.

We look forward to seeing you all at our parent/carer reviews. In the meanwhile, please keep communication through our Interactive Learning Diary, as we love hearing from you!

Please bring in plenty of suitable spare clothes for your child as they may get wet and/ or dirty during their play activities.

Please check your child's learning diary (ILD) for updates of your child's learning stories, photos and videos as we will continually update these.

For new parents, you will receive log-in details shortly after your child's settling-in period to support you with signing up.
