8/12/23 - Christmas jumper day

11/12/23 (week beginning) Nursery Winter Warmer

15/12/2023—Last day of term

We will be playing often in the wooded area and encouraging the children to notice the changes in Autumn and winter. You could support your child by talking to them about the changing leaves and the different colours that they can see. Or perhaps encouraging your child to notice the weather every day. A nice activity could be to make a leaf picture.

NURSERY

Term 2

Welcome to Term 2 The children have settled into Nursery very well in Term

1. We are so proud of how calmly they come into Nursery and how confidently they find activities to engage in. In Term 2 we will invite you in for Natter and Nibbles, a Stay and Play and a Winter Warmer singing event with your children. Please contact our Nursery Team with any worries or concerns. Nursery Team x

This term we will be looking at some different celebrations and learning some new seasonal songs.

Please come in to celebrate Diwali with us November 10th 2:00pm—2:45pm.

Any old cards for cutting and sticking, old tinsel or lights, xmas nativity pieces would be lovely donations for us if you can spare any for this term. We also ask for any corks, curtain rings, shells and pebbles.

Please ensure that you have a parent review appointment. Many of you have signed up already.

This is a time for us to talk about your child's needs and learning.

A gentle reminder: Please could all children bring in a water bottle into Nursery, named and with just water inside—no juice!

Please could children always bring spare clothes, nappies and wipes if needed, in their bags please.
