

Nursery

Teachers: Stephanie Singleton

Johanna Welch

Nursery Practitioners: Sam,
Sally, Michelle, Aggrima, Shukri

IMPORTANT DATES

2/1/2024—INSET

3/1/2024 First day back and

New starters beginning and settling

15/1/2024—Rags to Riches donations

29/1/2024— Maths and Science week

9/2/2024—Last day of term

In Nursery we will be playing dice games to support children's instant recognition of dice arrays and counting. At home you could play simple dice games to support this. A few good examples are 'snakes and ladders' and 'roll the dice and construct a wall' using Lego or Duplo—matching the pieces to the number on the dice.

HOME LEARNING

Term 3

NURSERY

Merry Christmas and a Happy new year to all. A special welcome to our new children and families, who are starting with us Term 3. All staff are here for you to answer any questions and we will be working hard to ensure that all of our children are happy and settled in Nursery. We look forwards to this term and further supporting your children's learning and development. Sunflower Room Nursery Team x

This term we will be reading lots of books and learning new songs about journey's and transport. Our Enquiry isTicket To Ride....how shall we explore?

For Talk for Writing we will learn The three billy goats gruff off by heart. We will video a story performance for you and share through learning diaries by the end of this term.

We would like to ask for loose parts. Any pebbles, shells, curtain rings, milk tops, glass pebbles, corks, gems and cracker toys would be most appreciated. We use them to support imagination, language development, maths and creativity. Any small wicker baskets too please.— a welcome donation.

Could changes of clothes be brought in too to include socks. We have given out lots of socks but don't always get them back so we don't have any left.

Any donations of old socks would be very welcome.
