

Sea Mills Primary Newsletter

20th October 2025

Dear Families

As we head towards half term, I wanted to say how impressed I have been with the learning the children have been sharing with me last week. They constantly surprise me with their creativity and good ideas.

I hope you are receiving this newsletter safely as it has been reported that many school emails are automatically going to 'junk' when received by families. Please check your junk folder for recent emails and mark us as a safe sender. Sincere apologies for this, please contact us at the office if this doesn't solve the problem!

Please remember that it is an INSET day this Friday 24th October so there is no school for children.

With warmest best wishes

Andrew Kinnear
