

# Sea Mills Primary Newsletter

## 11th November 2025

Dear Families

The nights are drawing in with darker and wetter weather but the children here at Sea Mills Primary are coming to school full of energy, curiosity and enthusiasm in term 2. There are lots of school events coming up in the next weeks so check below to save the dates. We are looking forward to seeing many of you at parents evening this week come to the office if you still need to sign up for a slot (arbor sign up now closed). It's **Children in Need** day this Friday and we are inviting pupils to wear spots or yellow and donate 50p. If you would like to buy Children in Need items there are a range on sale in the office.

With warmest best wishes

Andrew Kinnear

## Tours for Reception 2026

We are booking in tours for prospective parents for Reception 2026. If you know any families that are interested then please tell them to contact us by phone (0117 903 0088) or email us ([seamillsprimary@seamillsprimary.co.uk](mailto:seamillsprimary@seamillsprimary.co.uk)) to book a space. Dates and further information available here: [Reception Tours 2026 & Nursery Places - Sea Mills Primary School](#)

## Attendance

We've had a fantastic start to the year, with great attendance throughout the first term!

### Looking Ahead to Term 2

As we move into the winter months, we know coughs, colds, and other illnesses can make it harder to be in school. Let's all do our best to keep attendance high and reach our 96% goal! Every day in school makes a difference.

### Need Support?

If you're finding attendance tricky, please reach out. Miss Lewis and Miss Griffiths are here to help — together, we can find ways to make things easier.

### Keep Us Updated

If your child won't be in school, please update us through the Arbor app. This helps us record absences correctly and keep everything up to date.

Let's keep up the brilliant effort and make Term 2 another success!

## Tuesday Coffee & Tea!

Tuesday coffee and tea is back after a long break! Miss Griffiths and Miss Lewis or myself will be there with a hot drink as the days get colder. Do come and get a drink and stop for a chat.

## Holiday Hub

Holiday Hub Bristol is providing a wide range of funded activities for eligible families with children from Reception to year 11 who receive benefits-related free school meals this winter. From sports and arts to cooking classes and outdoor adventures, there's something for everyone. Each session includes a nutritious meal, helping families access healthy food while children have fun. Children who are not eligible for benefits-related free school meals can still join in the fun through open access sessions. Flier below and full detail attached with this newsletter or found on the website (Families & Community/signposting).

## Wellies, Coats and labels!

The wetter weather is making our field and grassy areas very soggy! We need to keep the children off the grass when it is too muddy unless they have wellies. Please send in your child with named wellies in a bag so they can roam free across the site at lunchtime. Please also ensure your child has a named coat in school and please, please name jumpers!
