

# Sea Mills Primary Newsletter

## 2nd February 2026

Dear Families

This week is National Story Telling week and we will be celebrating great reads across the school as well as special story-based activities. On Wednesday we have Governor Development Day when governors visit the school to learn about how we work! They will be on the playground first thing so do say hello. I'm also delighted to let you know we have a new parent governor, Michael Lister, who's children are in year 2 and year 4. A big thank to him for volunteering to join the governing team.

Wishing you a great week, with warmest best wishes

Andrew Kinnear

## Key Dates

Calendar dates for the year ahead can be found here:

## Number Day - 6th February - wear a number!

It's 'Number Day' on Friday 6th February. The children will be taking part in a range of maths themed challenges over the day and are invited to wear a number that day, for example, on the back of a sports shirt or pinned to a sleeve.

## Please park and stride

Local residents and patients at the doctors next door have requested that families don't park right in front of the school or in the surgery car park. Also, please don't park right up on the kerb as elderly residents then can't get by and have to walk in the street. Your support is appreciated.

## What I wish my parents knew...

Follow the link for some excellent advice and resources about helping children to manage their time online and keep safe. Scroll down for the download and also an activity pack for kids.

## Coughs and Sneezes

The winter has brought it's fair share of illness. Here's some key advice from the UKHSA on how to manage winter illness.

## Potty Training - excellent resource

This a fantastic resource to support potty training, well worth a look if your child is at that stage.
