

Sea Mills Primary Newsletter 20th July 2026

Dear Families

Nearly there! It's been a long term jam-packed with activity. Last week the Year 5 & 6 show was an absolute delight - well acted, funny with songs that the children belted out. I loved it and I know families did too.

This week, Year 6 also got their SATs results and we are very proud of them! All the children worked very hard and they are the best results we've had for several years.

Most of the notices in this final newsletter of the term are about Summer activities. There are some fantastic things happening - our holiday breakfasts of course, but also a brilliant list of local, free or low cost activities to keep your child occupied over the Summer on the next page. I strongly recommend having a look. Also check out the Friendship Café Holiday Trips - they sound great and travel is paid for!

Wishing you all a great Summer. Thank you for all your support over this year.

Best wishes Andrew Kinnear

Bristol Parent Carers

Bristol Parent Carers is the independent Parent Carer Forum for Bristol. We support families of children and young people aged 0–25 with special educational needs and disabilities (SEND), or who may have SEND.

We offer free information, guidance, peer support, events and workshops. We also work with local services to ensure parent carers' experiences help shape and improve SEND services across Bristol. Families do not need a diagnosis to access our support. If they have concerns about their child's development or additional needs, they are welcome to get in touch.

Find out more and become a free member at www.bristolparentcarers.org.uk.
