Term 1 Welcome to Year 1!

Firstly, we hope you all had a lovely holiday and are ready for new exciting adventures of Year 1. We are so excited to welcome and settle the children in. With this in mind, we're planning on using the first few weeks to get to know the children really well and make sure they are happy and familiar with the new routines in Year 1. We will be Athletes in the hall or outside on Wednesdays and Fridays and we also plan to continue with lots of outdoor learning. Please leave wet weather clothing/shoes and PE kits on the children's pegs so that they have access to the outdoor areas in all weathers every week.

HOME LEARNING

In line with our home learning policy, all learning will continue to be based upon the following activities:

Daily reading and weekly spellings. Spellings will be sent home at the beginning of each term and can be found online or in your child's book bag. Raffle tickets will be given for every 5 reads that are recorded in records.

As **Mathematicians**, we will begin the year by focussing on place value to 10 including counting and subitizing. To extend our learning we will look at one more and one less than and begin writing number sentences as well as learning about fact families.

As **Author readers and writers**, we will be using the stories Stuck and Little Red Riding Hood. We will be discussing events, answering questions, writing words and captions based on the story.

We will recap reading and writing of our **Phase 3 Mastery in Phonics** to ensure we are ready for the new phonemes in Phase 5 later in the year.

Enquiry :

What do Artists do?

We will use the books The Dot and Mixed to become Artists and explore mark making and colour mixing. We will create our own dot style based paintings based on our class interests.

How does Sea Mills change?

We will build on our knowledge of What do Artists do to look carefully at seasonal changes. We will observe and create our own changing seasons artwork.
