Thursday 8th October Big Brush visit

Monday 12th October - Black History
Month

Thursday 15th October: Reception Tour

Thursday 22nd October Last day of term

Friday 23rd October ISET Day

End of term 1

If you are new to our Nursery, you will soon receive an ILD letter. Instructions will be on the letter to sign up so that you can have access to learning stories and photos that we add to your child's diary. We encourage you to also add photos and text from your home or outside experiences. We value your contributions to help us see and learn more about your children. Your children will enjoy looking back at these so please share the diaries regularly.

Welcome to Autumn 1,

A big warm welcome to all of our Nursery families.

Lots of our children are returning this year but we also look forward to meeting new members and families to Sunflower Room. Our kind and helping team will be working hard to ensure that our children settle and are happy so that they can move forwards in their learning journeys.

Please can we ask you not to bring in your child if they are ill with vomiting, a high temperature or they have diarrhea. If V and D it is 48 hours from the last time they were ill, until they can come again. If you give your child Calpol before arriving, please let a member of staff know so that we know to take care of them and send them home later if needed. Vigilance is needed to ensure that all of our families and staff remain well. Many Thanks Nursery Team x

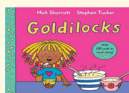

Core Books

Key Workers:

As we have lots of new children, you may find that your Key Worker from last year has changed.

Speak to Stephanie or Johanna if you have any questions.

At Nursery we learn through play. Our Core Books this term are *Goldilocks and the Three Bears* and *Lima's Red Hot Chilli*. We will be retelling the stories, remembering the pattern of the words, making food and much more.

HOME LEARNING

Read lots with your children. It will make a huge impact on their language and vocabulary development as well as providing a special learning experience.

Trips and Experiences

We value experiences and visits. This year we aim to go on a trip at the end of this term, one in Spring and one in Summer. Alongside these we will plan lots of outside learning and invite visitors to support our children's wellbeing and foster confident communicators.
