- 14.12.26 Winter Warmer
- 16.12.26 Christmas Jumper day
- 16.12.26 Winter Warmer
- 18.12.26 Last day of Term 2

HOME LEARNING

We will be taking the children out to enjoy the wooded area and the outdoor classroom where we will be encouraging them to notice the changes from Autumn to Winter. You can support your child noticing the changes you see in the outdoors – the colours of the leaves and the coolness of the air, the changing of the light! Or you could create a collage using leaves or other natural resources.

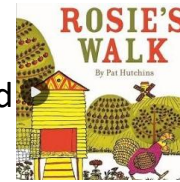

Welcome to Term 2 We have had a busy and fabulous first term in Sunflower room! There have been new friendships formed and lots of learning and sharing of interests. We are very proud of how calm and settled the children have been coming into Nursery in the mornings. Our first two weeks back include **our parent reviews – please make sure you have signed up for these.**

This term we will be going on a trip to St. Augustine's farm to support our Core Book learning around Rosie's Walk. We hope that this will be a fun and memorable learning experience for our children. Later we will invite you in to share with our seasonal celebration – Nursery Winter Warmer, where we will share our winter songs that we have been learning. If you have any worries needs or concerns, please talk to a member of our friendly team to help you x

As authors...

Our Core Book is Rosie's Walk
You can share this book with your child
By clicking on this link:

[Rosie's Walk](#)

We think about the animals in the story and where the story is set. We will practise telling the story and draw/ paint pictures inspired by our learning.

As mathematicians...

Using our Core Book, we will be exploring positional language such as up, down, over, under, next to and lots more. We will use songs such as 5 Little ducks to explore number.

Geographers • Mathematicians • Artists • Athletes • Authors (writer) • Scientists • Authors (Reader) • Philosophers • Linguists • Engineers • Historians • Musicians

Healthy Schools:

We are still happy for you to hand out birthday cake or sweets with your child at the end of the day but as we are a healthy school we are unable to do this for you. As there are many birthdays over the year, we would not want to give out too much sugar or cake. Please speak to staff for clarification or support to do this for your child should you wish. We will be giving your children the opportunity to clean teeth this term. This will not be every day so please continue your normal routines at home!

Donations: If you have any tinsel, old cards, corks or wooden curtain rings, please could you donate these to us to boost our resources!
