Reading to an adult at home is vital for their development. Please ensure your child reads 5 times per week and it is recorded in their reading record. Reading is at the heart of our curriculum.

Spellings are really important! We will hold our test on a Friday. Please support your child by encouraging them to practice regularly. Children are also expected to practice their focus times tables weekly on TTRS

As mathematicians, we will continue to focus on addition and subtraction. Later in the term, we will be moving on to look at multiplication and division.

Please support your child at home by encouraging them to access TT Rockstars to practice their times tables skills. Time tables feed into so many other areas in maths, so extra practice is extremely beneficial!

As Authors, we will be reading the text The Lights on Cotton Rock by David Litchfield. We will be writing persuasive letters to the alien to persuade him to visit earth again.

As readers, we will be reading The Stone Age Boy by Satoshi Kitamura. We will focusing on all VIPERS skills such as inference and retrieving key information from the text.

What do we know about prehistoric Britain?

This term, Year 3 will be Historians and Artists.

As historians, we are going to be looking at prehistoric Britain. This will include the Stone Age, Bronze Age and Iron Age. We will be using historical sources to help us learn about how prehistoric people lived.

We will also be looking at Stonehenge and Skara Brae to give us a better understanding of the Stone Age.

As artists, we will look at cave and rock art from across the world. Then we will use oil pastels to create our own pieces, inspired by the art we have studied.
